**Serial No. 10/557,753**  
October 30, 2007

### **REMARKS**

By way of the amendment instructions above, appropriate headers have been inserted into appropriate locations in the originally filed specification. In addition, a Brief Description of the Drawings has been inserted into the specification based on text originally found, for example, at page 10, lines 8-25 and page 11, lines 21-22.

The drawing Figures have been revised so as to ensure each is identified appropriately by figure labels. Substitution of the attached revised sheets comprised of drawing Figures 1-3 for the comparable sheets of drawing Figures as filed originally is solicited.

#### **V. Fee Authorization**

The Commissioner is hereby authorized to charge any deficiency, or credit any overpayment, in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Account No. 14-1140.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
